## A Little Magic for your Lips!

A delectable selection of creamy Cocoa Butter Lip Balms in a larger .25oz stick with a magical Badger on the label! These dreamy balms feature a rich base of certified organic cocoa butter, certified organic extra virgin olive oil, golden yellow beeswax and CO<sub>2</sub> extracts of Seabuckthorn Berry and Rose Hip – natural, plant-based anti-oxidants. They also contain an organic Aloe Vera Extract for added dry weather protection. The cocoa butter helps the staying power of the balm, keeping lips moisturized and soothed for a good, long time. Thick, creamy, and long lasting. Available in 16-count display boxes or 6-count refill packs.

## Cocoa Butter

*Imagine your standard chocolate bar. Now imagine that scent purified to the extreme; it's sensually intoxicating. That's Cocoa Butter. It not only makes the best chocolate, it is also a deliciously rich and creamy skin soother and moisturizer that has been used as a dry skin healer for generations. In our Lip Balm, Cocoa Butter provides a barrier that helps retain moisture and minimizes dryness while protecting sensitive lips from the damaging effects of sun, wind, and extreme weather. It feels really good, too.*
