Cuticle Care

For Clever Badgers who treat their hands & nails kindly

Badger Cuticle Care Balm

Shea Nuts
(*Butyrospermum Parkii*)

Clever Badger. Dig the earth. Climb mountains. Carry beauty in your hands. Treat your nails & cuticles kindly with our naturally restorative, botanically bodacious blend formulated with lots of soothing Shea Butter and Seabuckthorn Berry Extract. Delicately fragranced with essential oils. Rub it in. Use it regularly and expect results.

"After spending goodness knows how much money on every cuticle cream/solution in the market, I've finally found one that works and QUICKLY! Although I indulge in a regular schedule of manicures, the one problem that persists is my ever-annoying dry (and often painful) cuticles - ouch! I used your magical solution for the first time this past Saturday just before calling it a day and woke to hands that I swore could not be mine. I would have never believed that a single use would have even made a difference, but it surely did... Thanks for creating a product that truly does what it says it will do, you have found a loyal customer!!!" – Kelie
