

## The Badger Mini Shrine

At 62" high, 24" wide, and 14" deep this classy wooden display is just big enough to hold our best-sellers while being small enough to fit at the register or end-cap. The display comes free when fully stocked. See price list for details.

The larger Shrine Display (not pictured) is big enough to fit the full Badger line.

Along with the Badger rep who visits your store, our Sales and Customer Service staff are always happy to help. They are just a phone call away and they are available to offer you special deals and discounts; they can help you answer difficult customer questions; and they can introduce you to new Badger products or to Tried & True Best-Sellers that you have yet to bring into your store. Feel free to give us a call.
