

Natural actives for radiant, smooth skin.

Sukin's new anti-oxidant rich range, *Purely Ageless* works with nature to capture the best in innovative actives, for the ultimate in natural anti-ageing care, balance and purely ageless beauty.

Purely Ageless is specifically created for the more mature skin, with actives such as argan oil, naturally rich in EFA's to help revitalise tired, dehydrated skin, along with goji and açai extracts, potent anti-oxidants enriched with phytonutrients to help preserve skin collagen, promoting a radiant and youthful complexion.
