

Badger® SPF35 Sport Sunscreen

New!

What's New?

- Extra Zinc Oxide for added water resistance
- Now very water resistant: retains SPF after 80 minutes of swimming or sweating
- Uncoated, non-nano Zinc Oxide provides better protection with less zinc
- Certified Natural by the Natural Products Association
- Certified to Contain Organic Ingredients
- Protects with Zinc Oxide, not chemicals
- Extra Virgin Olive Oil, Beeswax, Jojoba & Cocoa Butter base is ultra-moisturizing and soothing
- Full broad spectrum protection from UVA & UVB rays
- Complies with new FDA regulations
- Starts working on application ... no waiting!

Key Features & Benefits

- Provides extra protection for skin from windburn and chapping during winter and water sports
- Natural formula rich in USDA Certified Organic ingredients
- No added fragrance

What's so special?

To meet the needs of hard-working, hard-playing Badgers, we specially formulated this SPF 35 Sport Sunscreen to protect skin from sun, wind, cold and water as safely and as naturally as possible. This cream-based sunscreen works well in many environments — from the beach to the slopes!

Expect some whitening with all natural Zinc Oxide products.

For more information on our Zinc Oxide, please visit our website or call us and speak to a live Badger.

What's in it? **Active Sunscreen Ingredient: Non-Nano Uncoated Zinc Oxide 22.5%
