

# Badger Sunscreen Line

*Totally Natural Cream with Mineral Sunscreen Protection*

## Key Features & Benefits

- Top-rated by the Environmental Working Group for safety & efficacy.
- Protects with Zinc Oxide, not chemicals.
- Blocks UVA & UVB rays.
- Our Extra Virgin Olive Oil, Beeswax, Jojoba & Cocoa base is ultra-moisturizing and soothing!
- Water resistant for at least 40 minutes.
- Allows skin to breathe when exercising.
- Doesn't drip and sting eyes.
- Starts working on application ... no waiting!
- Environmentally friendly.
- Recently recommended on the TODAY Show & the CBS Early Show!

**NEW!**

Badger sunscreens are some of the highest rated by the Environmental Working Group's Cosmetic Safety Database ([www.cosmeticsdatabase.com](http://www.cosmeticsdatabase.com)) because they are so safe and effective. Our broad spectrum formula provides both UVA & UVB protection using a mineral sunscreensing agent (Zinc Oxide) instead of a chemical. They are water resistant, safe for your body, and environmentally friendly.

*Expect some whitening when using a Zinc Oxide-based sunscreen.  
Recommended usage: 1+ ounces for full body coverage.*

*To meet the needs of hard-working, hard-playing Badgers, we specially formulated this SPF 30 Face Stick to protect skin from sun, wind, cold and water as safely and naturally as possible. The easy to use stick is non-messy, and can travel in your carry-on bag.*

To meet the needs of hard-working, hard-playing Badgers, we specially formulated this SPF 30 Face Stick to protect skin from sun, wind, cold and water as safely and naturally as possible. The easy to use stick is non-messy, and can travel in your carry-on bag.
